The Wittelsbachs are the royal family of Bavaria and they are the essence of psychotic blasphemy and they make lying accusations every second of every day as their defense. They are weak and pathetic blood drunken rabid animals that claim to control everything. They use electronic weapons to terrorize people claiming to control them. They dictate that they are holy and righteous while they are sadistic and terroristic as well as demented inbreeds with a major inferiority complexes. The government of Bavaria currently pays the Wittelsbach's foundation about 14 million Euros a year. They were Holy Roman emperors and were granted the title of King of the Romans by the Papacy. They were also appointed as the first modern monarchs of Greece under the London Conference of 1832. The Wittelsbachs ruled as the monarchs in Scandinavia on and off for centuries. The old Germanic word Witte means to shine or white. Many German royals and nobles were former Byzantine nobility that migrated to Venice and then later into Germany. The House of Wittelsbach are related with the Argyros family of the Byzantine. Argos has various

meanings including to shine and white. In Greek Mythology Argos was a giant given the epithet Panoptes which means All Seeing. A common symbol used by the Illuminati is the All Seeing Eye just as the House of Wittelsbach ruled during the establishment of the Bavarian Illuminati in 1776 the same year the Continental Congress established the United States. The All Seeing Eye is on the US dollar bill. The term White House is to honor the Wittelsbach family as the German word Witte means white. Adam Weishaupt was born in the Electorate of Bavaria and established the Illuminati while under the rule of Prince Maximilian III Joseph of Wittelsbach at Ingolstadt University which was also established by the Wittelsbachs under Duke Louis IX of Wittelsbach. Ingolstadt University is now called Ludwig Maximilian University of Munich and is where the German billionaire Hubert Burda was educated and his father Franz Burda was a member of the Nazi Party. Duke Franz Wittelsbach of Bavaria is currently a Hereditary Senator of the Ludwig Maximilian University because his family created this college. Iris Knobloch is a director for the bank Lazard and was educated at Ludwig Maximilian University. Marcus Goldman the co-founder of Goldman Sachs was from Bavaria and the family of Samuel Sachs were also from Bavaria. Goldman Sachs has nearly 900 billion in assets. The Goldman and Sachs families were Court Jews serving the Wittelsbachs and Saxe-Coburg and Gothas. The Trump bloodline is from Bavaria and Trump appointed three high level Goldman Sachs employees in his Administration. Ivana Trump can also be seen associating with Prince Manuel of Bavaria and his wife Princess Anna. Ivanka Trump often serves the Wittelsbachs and is a vicious and psychotic devil that electronically attacks people in society with weapons created by DARPA.

Adam Weishaupt was educated by Jesuits in Canon law at the University of Ingolstadt before establishing the Bavarian Illuminati. The Jesuits were connected with the term Illuminati in Spain known as the Alumbrados more than two hundred years before the Bavarian Illuminati was established. The Jesuits had been banished in most of Europe and they reestablished themselves at Ingolstadt University. The Bavarian House of Wittelsbach work closely with the royal families of Liechtenstein, Belgium, and Luxembourg which are Roman Catholic families and former nobility of the Holy Roman Empire. They are also working closely with the Black Nobility of Rome which use the Wittelsbach family for creating their covering of false light or superficial veil. It is like the idea of an evil person dressed up in a nice suit or wicked pope dressed in fine linen. The royal families ruled kingdoms because they owned large amounts of gold. They lent out the gold to businessmen and bankers which then manage their enterprises. Urs Wietlisbach is a Swiss billionaire and founder of Partners Group which is a private equity firm with over 60 billion in managed assets. Urs Wietlisbach was also a Director for Liechtenstein Global Trust's Private Equity Advisers division. Liechtenstein Global Trust is owned by the House of Liechtenstein with Prince Maximilian of Liechtenstein as the CEO. Prince Joseph Wenzel of Liechtenstein is a Wittelsbach through his mother Princess Sophie. The Wittelsbach family claimed to be persecuted by Nazis yet they have frequently intermarried with the same German noble families that were Nazis like the Sayn-Wittgensteins, Saxe-Coburg and Gothas, and Hohenzollerns. King Ludwig II of Bavaria established the Technical University of Munich which is where the billionaire Richard Oetker was educated. The Oetkers are worth about 12 billion today. Richard Oetker's father Rudolf August Oetker was a member of the Nazi's Waffen-SS. Alfred Oetker is a top member of this family and his sister married with the House of Douglas. The Wittelsbachs are the head of Jacobitism and they have the Jewish billionaire Irwin Jacobs as an agent and he runs Qualcomm a telecommunications and semi conductor company. Bradley Jacobs is another billionaire agent of the Wittelsbachs and he runs XPO Logistics and Jacobs Private Equity.

Duke Franz of Bavaria is the current head of the House of Wittelsbach and a Knight of the Sovereign Military Order of Malta. Another member is Prince Max the Duke of Bavaria and his wife is from the Scottish House of Douglas. Prince Max is a Knight of the Crusader knighthood called the Teutonic Order which is currently headed up by Grand Master Bruno Platter. Prince Luitpold of Bavaria is another member of this family and he is insane and evil. Princess Sophie of Liechtenstein is a Wittelsbach and married into the royal family of Liechtenstein. Prince Leopold of Bavaria and his son Prince Manuel of Bavaria are current members along with Leopold's brother Prince Aldabert of Bavaria. Prince Manuel's wife is from the Sayn-Wittgenstein-Berleburg family and the Chigi family of Rome are also married in with a Sayn-Wittgenstein branch. Prince Mario Chigi of Rome was investigated for tax evasion involving private banks in Liechtenstein just as the Wittelsbach family are presently married in with the House of Liechtenstein. The House of Wittelsbach have intermarried with many influential Holy Roman and Italian nobility as well as the former ruling House of Stuart through Queen Elizabeth Stuart of Bohemia who married Frederick V of the Palatinate-Wittelsbach. The Stuart family are allied with the Wittelsbach family and through the Stuart's Hudson's Bay Company and its tax contracts with the United States through the 1871 District of Columbia Organic act they claim a portion of ownership over the United States. The House of Stuart established the Hudson's Bay Company with its subsidiary Saks Fifth Avenue founded by Andrew Saks and Adam Gimbel who was a Bavarian Jew and really a court factor of the House of Wittelsbach. The Wittelsbach family have covert shares in Saks Fifth Avenue and also in Macy's. The Straus family were from Bavaria and purchased R. H. Macy & Co. or Macy's along with Abraham Abraham who was also from Bavaria. The Bloomingdales migrated from Bavaria and founded Bloomingdale's which is owned by Macy's. The House of Wittelsbach built Mannheim Palace which cost them 300,000 gulden. The Wallderdorff family are nobles loyal to the Roman Catholic Habsburgs and members have been in the Illuminati. Countess Tessa von Wallderdorff is married with the wealthy American Hilton family.

Richard Baker is the Chairman for Hudson's Bay Company and the founder of NRDC Equity Partners which owns large amounts of shares in HBC. NRDC Equity Partners also owns Galeria Kaufhof in Cologne, Germany. The House of Wittelsbach were Prince-Bishops of Cologne starting with Prince Ernest of Bavaria. Duke Franz of Bavaria is a Knight of the Equestrian Order of the Holy Sepulchre of Jerusalem like his father was. The Chigi family moved the headquarters of the Order of the Holy Sepulchre to the Palazzo Della Rovere in Rome and then married in with the Della Rovere family taking on their name with Chigi-Albani-Della Rovere. The Wittelsbach, Liechtenstein, Chigi, and Sayn-Wittgenstein families all have an alliance. Pope Benedict XVI was born in Bavaria. Joseph Ratzinger was a Nazi youth member and he took the name Benedict to honor the Order of Saint Benedict also called the Black Monks. Prince Franz-Josef Wittelsbach of Bavaria is another member of this family and he is a Black Monk. The Wittelsbach family manage the Order of Saint Benedict and Benedictine Confederation. Notker Wolf, Gregory Polan, and Marcel Rooney are some current high level Black Monks. The former Chief of US Secret Service Mark Sullivan was educated at the Benedictine Saint Anselm College and is an agent of the Wittelsbachs. The Evangelical pastor Joseph Prince works for the Black Monks and is a psychotic devil. Levi Strauss was born in the Kingdom of Bavaria and created the clothing line Levi Strauss & Company. The former US National Security Adviser Henry Kissinger was from Bavaria. August Horch was from Bavaria and established the car company Horch out of Cologne, Germany now called Audi which is currently located in Ingolstadt, Bavaria. These businessmen work for the House of Wittelsbach. Adolf Hitler served in the Bavarian army under the Bavarian royals. The name Halder or its variant Halter were lower Bavarian nobility. Adolf Hitler was likely a descendent of the Bavarian Halter family and was appointed by the modernized Hoftag or Holy

Roman princely council to become the leader of the Nazis. The same families involved with the Nazis employed Jewish bankers. The Wittelsbachs claimed to be against the Nazis however this was just a cover. They were one of the families that engineered the Nazi movement. The House of Wittelsbach are involved with the Illuminati, Jesuits, Zionists, and Nazis. The Wittelsbachs are pure evil and they need to be violently exterminated out of existence. These devils deserve extremely painful and violent deaths.

Duke Franz of Bavaria is a high level authority over Goldman Sachs and Israel. They are so evil that even when they smile they still look extremely wicked and they are completely oblivious to this fact. Who smiles while curling their upper lip inwards. That is demonic. Duke Franz is a Knight of Malta and a Knight of the Equestrian Order of the Holy Sepulchre of Jerusalem and he is knighted under the Vatican and Rome because he serves Rome and the Black Nobility like the Massimos, Chigis, and Lucchesis. The Bavarian royals financed the Sachs and Goldman families of Bavaria to create Goldman Sachs which is heavily managed by Jesuits. The Wittelsbachs are part owners of Goldman Sachs and have shares in this bank through shareholding proxies.

Almost 100 years after the end of the monarchy in Bavaria, **it is still lucrative to be a member of the former ruling family of Wittelsbach**, the Süddeutsche Zeitung reports. Members of the family are still receiving some **14 million euros**, distributed by the Wittelsbach Compensation Fund (WAF). This Foundation was established in 1923 by the **Free State of Bavaria** to continue **payment to members of the Wittelsbach dynasty**.

The money goes to the head of the house, Franz Duke of Bavaria, and to the heads of the various branches of the family, which then redistribute it within their line. The exact key is secret; Franz of Bavaria receives by far the largest part of the payment. Prince Max of Bavaria with his wife Countess Elisabeth of Bavaria. Prince Max has authority over Goldman Sachs and Israel as well as Scottish Rite Freemasonry. These two are major child murderers and terrorists who need to be immediately executed. The Stuarts claim a Jacobite basis for their right to rule as the Kings of England, Scotland, and Ireland and they claim this based on their marriage with the House of Wittelsbach. Jacobitism is really about a claim made by royals that they descend from Jacob in the Bible giving them their right to rule. The royals and their priests are the ones who put together the Bible.

Prince Konstantin of Bavaria is a psycho

Prince Luitpold of Bavaria is a psychopathic blasphemer and manager of the Black Monks. The members of the Bavarian royal family look like inbreds and monkeys. There is a reason they are called Monks which is short for monkeys. There is a reason why Catholic bishops and the Pope call themselves primates. They do not distinguish themselves from apes because they are sub humans and they know it. These inbred sub humans with high levels of monkey genetics are so insecure over this that they feel the need to pretend they are god and terrorize the rest of society.

Prince Manuel of Bavaria with his wife Princess Anna of Bavaria who is from the House of Sayn-Wittgenstein which are married with the Roman House of Chigi-Albani Della Rovere. This inbred Prince Manuel is extremely blasphemous and thinks he is Christ or god or an adviser to god or whatever currently serves his interests. Prince Manuel hires hackers like the creep and government hacker Matthew Ayasse to spy and track people online. Prince Manuel also hires people to electronically torture people by mentally harassing them and claiming to own them or control them. Prince Manuel is a blatant example of a genetic sub human spawned from sodomy and inbreeding which is why he is so insecure to the point he feels he needs to mentally terrorize people while claiming to be their god. Prince Manuel also serves the Massimos. Prince Manuel deserves to be slowly tortured to death.

Prince Manuel of Bavaria, Princess Anna of Bavaria, Ivana Trump and Prince Mario Max of Schaumburg-Lippe. They are all extreme evil.
